

## HAPARA UPDATE – 16<sup>th</sup> September 2023

### Harrogate and Knaresborough Area Constituency Committee Meeting – 14<sup>th</sup> September

At the above meeting councillors received a report from **NYC Officials relating to Otley Road Sustainable Transport Measures**.

Following discussion, it was agreed that a report would be submitted to the Corporate Director for Environment in consultation with the Executive Member for Highways and Transportation in October or November to seek permission to commence design work on proposals recommended in the report.

Also, at the meeting Councillors received a report relating to a review of a petition '**For a maximum speed of 20mph on roads in south and west Harrogate to improve road safety**'

The purpose of the report was to present Councillors with officer findings and proposed actions following the review of the petition.

It was agreed that recommendations would be reported to North Yorkshire Council's Environment Corporate Director and Executive Member for Highways and Transportation, seeking approval to commence implementation in the next calendar year (2024).
